+03: This month's seasonals

Extra Mango: an exotic smoothie from Morocco, combines our favourite golden mango smoothie with the precious Argan oil from Morocco.

Orange Peach & Mint: a magical summer crush. The first note is orange, and the finish is definitely peach.

Passionfruit: Last year's favourite smoothie is back! Taste the passion this summer!

Mango and pink rock salt soft cream - Trust us, the perfectly ripe mango tastes fantastic if you sprinkle on a bit of salt.

Summer scones: Try our new "olive and salt scone" and "blueberry scone". The olives were grown on a little island in Japan with much care and love. Our blueberry scones are a beautiful shade of blue.
